"There is no substitute under the heavens for productive labor. It is the process by which dreams become realities. It is the process by which idle visions become dynamic achievements.

Most of us are inherently lazy. We would rather play than work. We would rather loaf than work. A little play and a little loafing are good. But it is work that spells the difference in the life of a man or woman. It is stretching our minds and utilizing the skills of our hands that lift us from mediocrity. It is work that provides the food we eat, the clothing we wear, the homes in which we live. We cannot deny the need for work with skilled hands and educated minds if we are to grow and prosper individually and if our nation is to stand tall before the world."

~ Gordon B. Hinckley ~
